**CALL TO ORDER -**

Dr. Reslock called the meeting to order at 8:01 a.m. by conference call in the second floor conference room at 3218 Pringle Rd. SE, Salem, OR., 97302. The roll was called and all members of the Board were present. The Board adjourned to Executive Session for the purpose of discussing complaint cases. The Public Session was reconvened at 8:40 a.m.

**ACTION ON EXECUTIVE SESSION**

**03-01-02** - The Board denies approval of the record keeping course submitted by the doctor in this case as not being specific enough to optometry and regulations in the United States. The doctor will be directed to the Pacific University eight hour record keeping course taught by Carol Timpone, O.D., or it's equivalent. This case will remain open

**03-09-01** - Dr. Walters moved that the Board negotiate a stipulated settlement with the doctor in this case in accordance with terms discussed in the Executive Session. Ms. Lindley, after consultation with Mr. Plunkett, will have the authority to settle this case for terms less than those proposed by the Board in order to bring this case to a stipulated conclusion. Dr. Monkman seconded the motion. The motion carried unanimously. This case will remain open.

**00-10-04; 01-07-01** - These cases are closed. An amended stipulated order has been issued which will allow the doctor an extension until the scheduled score release date to provide proof of passing the required examinations. If the doctor is not successful, the terms of the original stipulated order will be carried out.

**ADJOURNMENT** - There was no further business to come before the Board. Dr. Walters moved to adjourn the meeting. Dr. Hamel seconded the motion and President Reslock adjourned the meeting at 8:43 a.m.
